Prime Location

This prime location allows rapid, easy access to the entire North West region and the Trans Pennine motorway network.

HPARK is situated 1.5 miles from junction 19 of the M62 via a purpose-built link road.

Only 2 miles from junction 3 of the M66 and 3.9 miles from the intersection of M60/M62/M66.

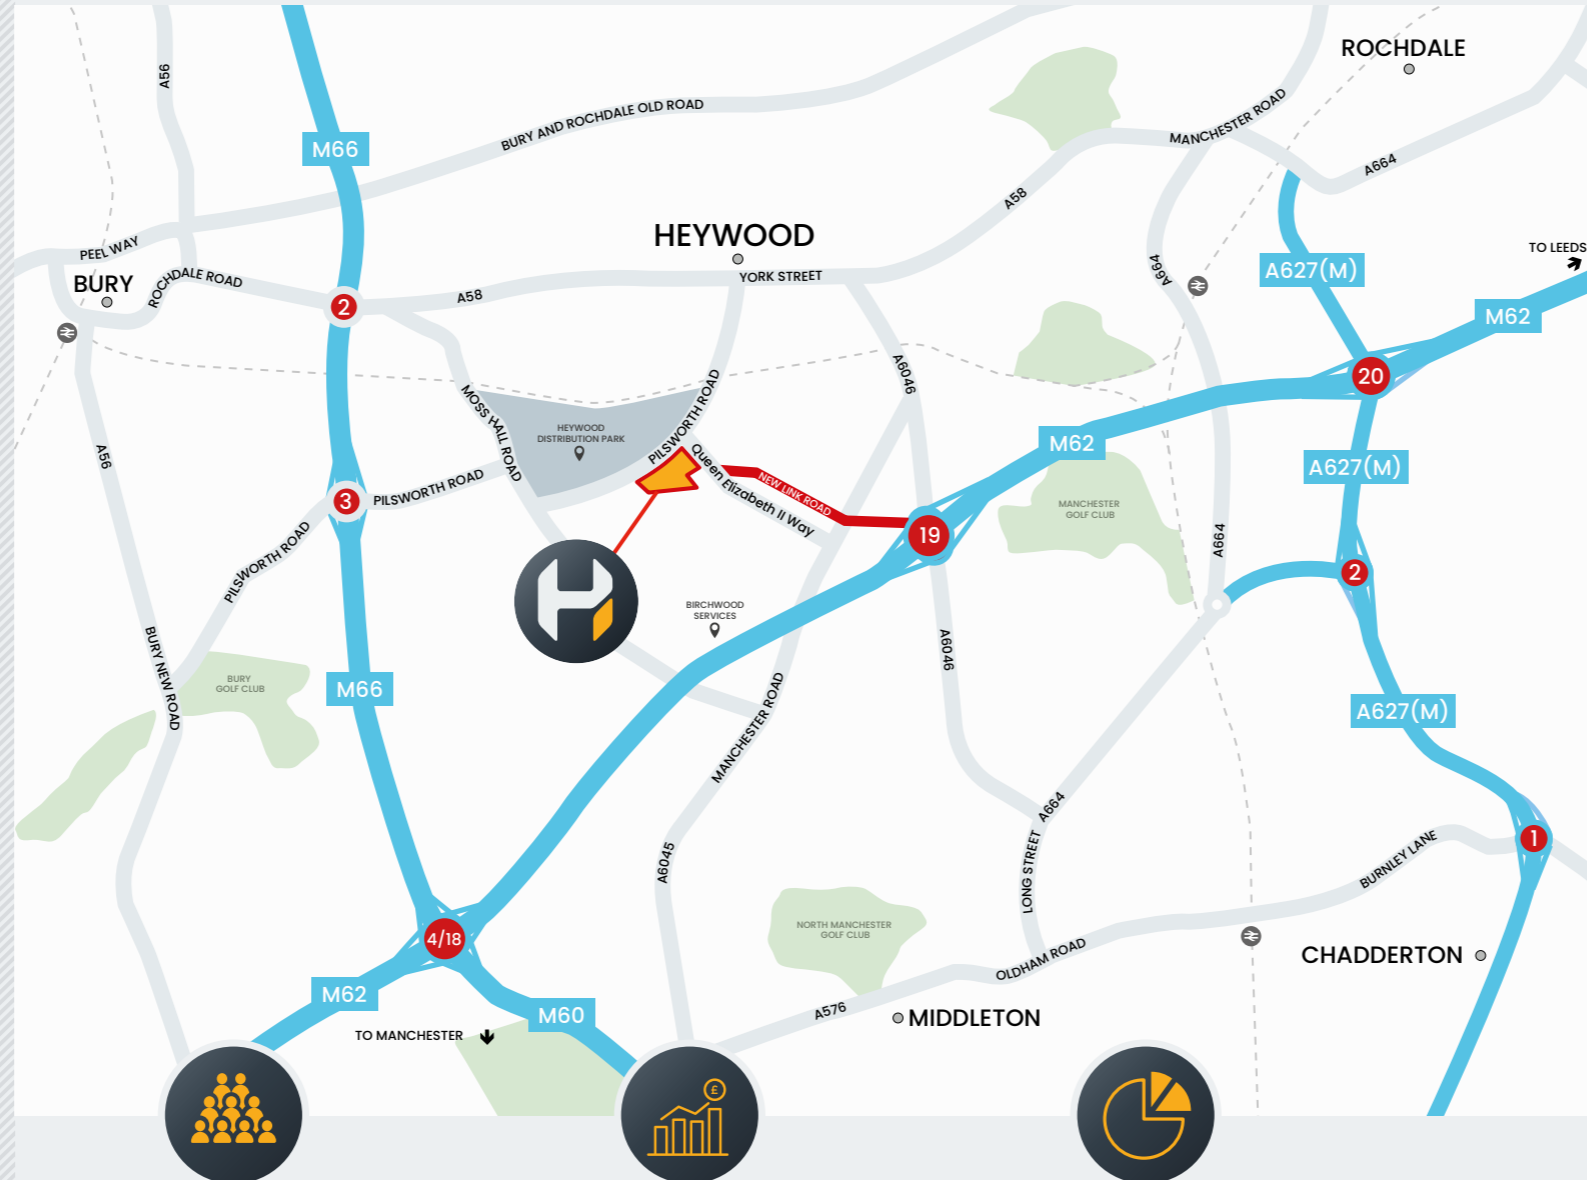

Manchester City Centre within 9 miles.

3km and 5km running/walking routes

Extensive new cycle routes

Outdoor Gym

Wellbeing

HPARK has been designed with wellbeing and employee happiness in mind. The 120-acre site will incorporate cycle, running and walking routes along with picnic and relaxation areas within an attractive landscape setting.

Employee welfare is front of mind in the design of the HPARK environment and each building within it. Units are carefully considered to incorporate state-of-the-art facilities for the benefit of tenants and their staff.

Multi use games area

New areas of attractive natural habitat and formal landscaping

Rest, relaxation and picnic areas

Direct access to new neighbouring sports pitches

A Wider Vision

HPARK forms part of the wider South Heywood masterplan, a major mixed-use regeneration programme designed to deliver new jobs, homes, and community facilities.

Key to the scheme is the newly opened link road providing direct access from HPARK to junction 19 of the M62 motorway.

Northern Gateway Phase 2 provides an additional 11,500,000 sq ft of allocated employment space for potential occupiers across a 1,250-acre masterplan. With the delivery of a new link road, the site occupies a strategic location adjacent to the M60, M66 and M62.

About Russells

Russells is a Manchester-based property and construction business comprising Russell WBHO, Russell Homes and the group's recently launched land, development and property division, Russell LDP.

Russell LDP is a turnkey developer and land promoter, bringing forward large scale developments across the UK, from concept through to completion.

HPARK will be built by leading main contractor Russell WBHO, one of the North West's largest and most active construction businesses, with a 25-year track record of delivering projects on budget, on time, every time.

Specialists in industrial and cold storage builds, Russell WBHO has built facilities across the UK for Lineage Logistics, Fed Ex, Ford, Harbert, MAN ERF, Joy Global and Baildon Business Park.

The team is also responsible for complex high-profile builds such as the new Manchester landmarks Axis Tower and Oxygen Towers, and the award-winning Hanover restoration for Hermes.

Deliverability

HPARK can provide up to 1,888,556 sq ft of B2/B8 employment uses, subject to detailed planning consent.

Terms

The scheme can be delivered on an Institutional Leasehold.

The Agents, for themselves and for the Seller/Lessor of this property whose agents they are, give notice that: 1. These particulars do not constitute any part of an offer or a contract; 2. All statements contained in these particulars are made without responsibility on the part of the Agent(s) or the Seller/Lessor; 3. None of the statements contained in these particulars is to be relied upon as a statement or representation of fact; 4. Any intending Buyer or Tenant must satisfy themselves by inspection or otherwise as to the correctness of each of the statements contained in these particulars; 5. The Seller/Landlord does not make or give, and neither the Agent(s) nor any person in their employment has any authority to, make or give any representation or warranty whatever in relation to this property. Nov 2024. Designed and produced by Creativeworld. T: 01282 858200. *Illustrative Masterplan and supporting information subject to change.
