3km and 5km running/walking routes

Extensive new cycle routes

Outdoor Gym

Wellbeing

HPARK has been designed with wellbeing and employee happiness in mind. The 120-acre site will incorporate cycle, running and walking routes along with picnic and relaxation areas within an attractive landscape setting.

Employee welfare is front of mind in the design of the HPARK environment and each building within it. Units are carefully considered to incorporate state-of-the-art facilities for the benefit of tenants and their staff.

Multi use games area

New areas of attractive natural habitat and formal landscaping

Rest, relaxation and picnic areas

Direct access to new neighbouring sports pitches

A Wider Vision

HPARK forms part of the wider South Heywood masterplan, a major mixed-use regeneration programme designed to deliver new jobs, homes, and community facilities.

Key to the scheme is the newly opened link road providing direct access from HPARK to junction 19 of the M62 motorway.

**New public
transport provision**

**1,000 new high quality
homes to be brought
forward**

**New primary school,
retail centre, parks
and sports pitches**

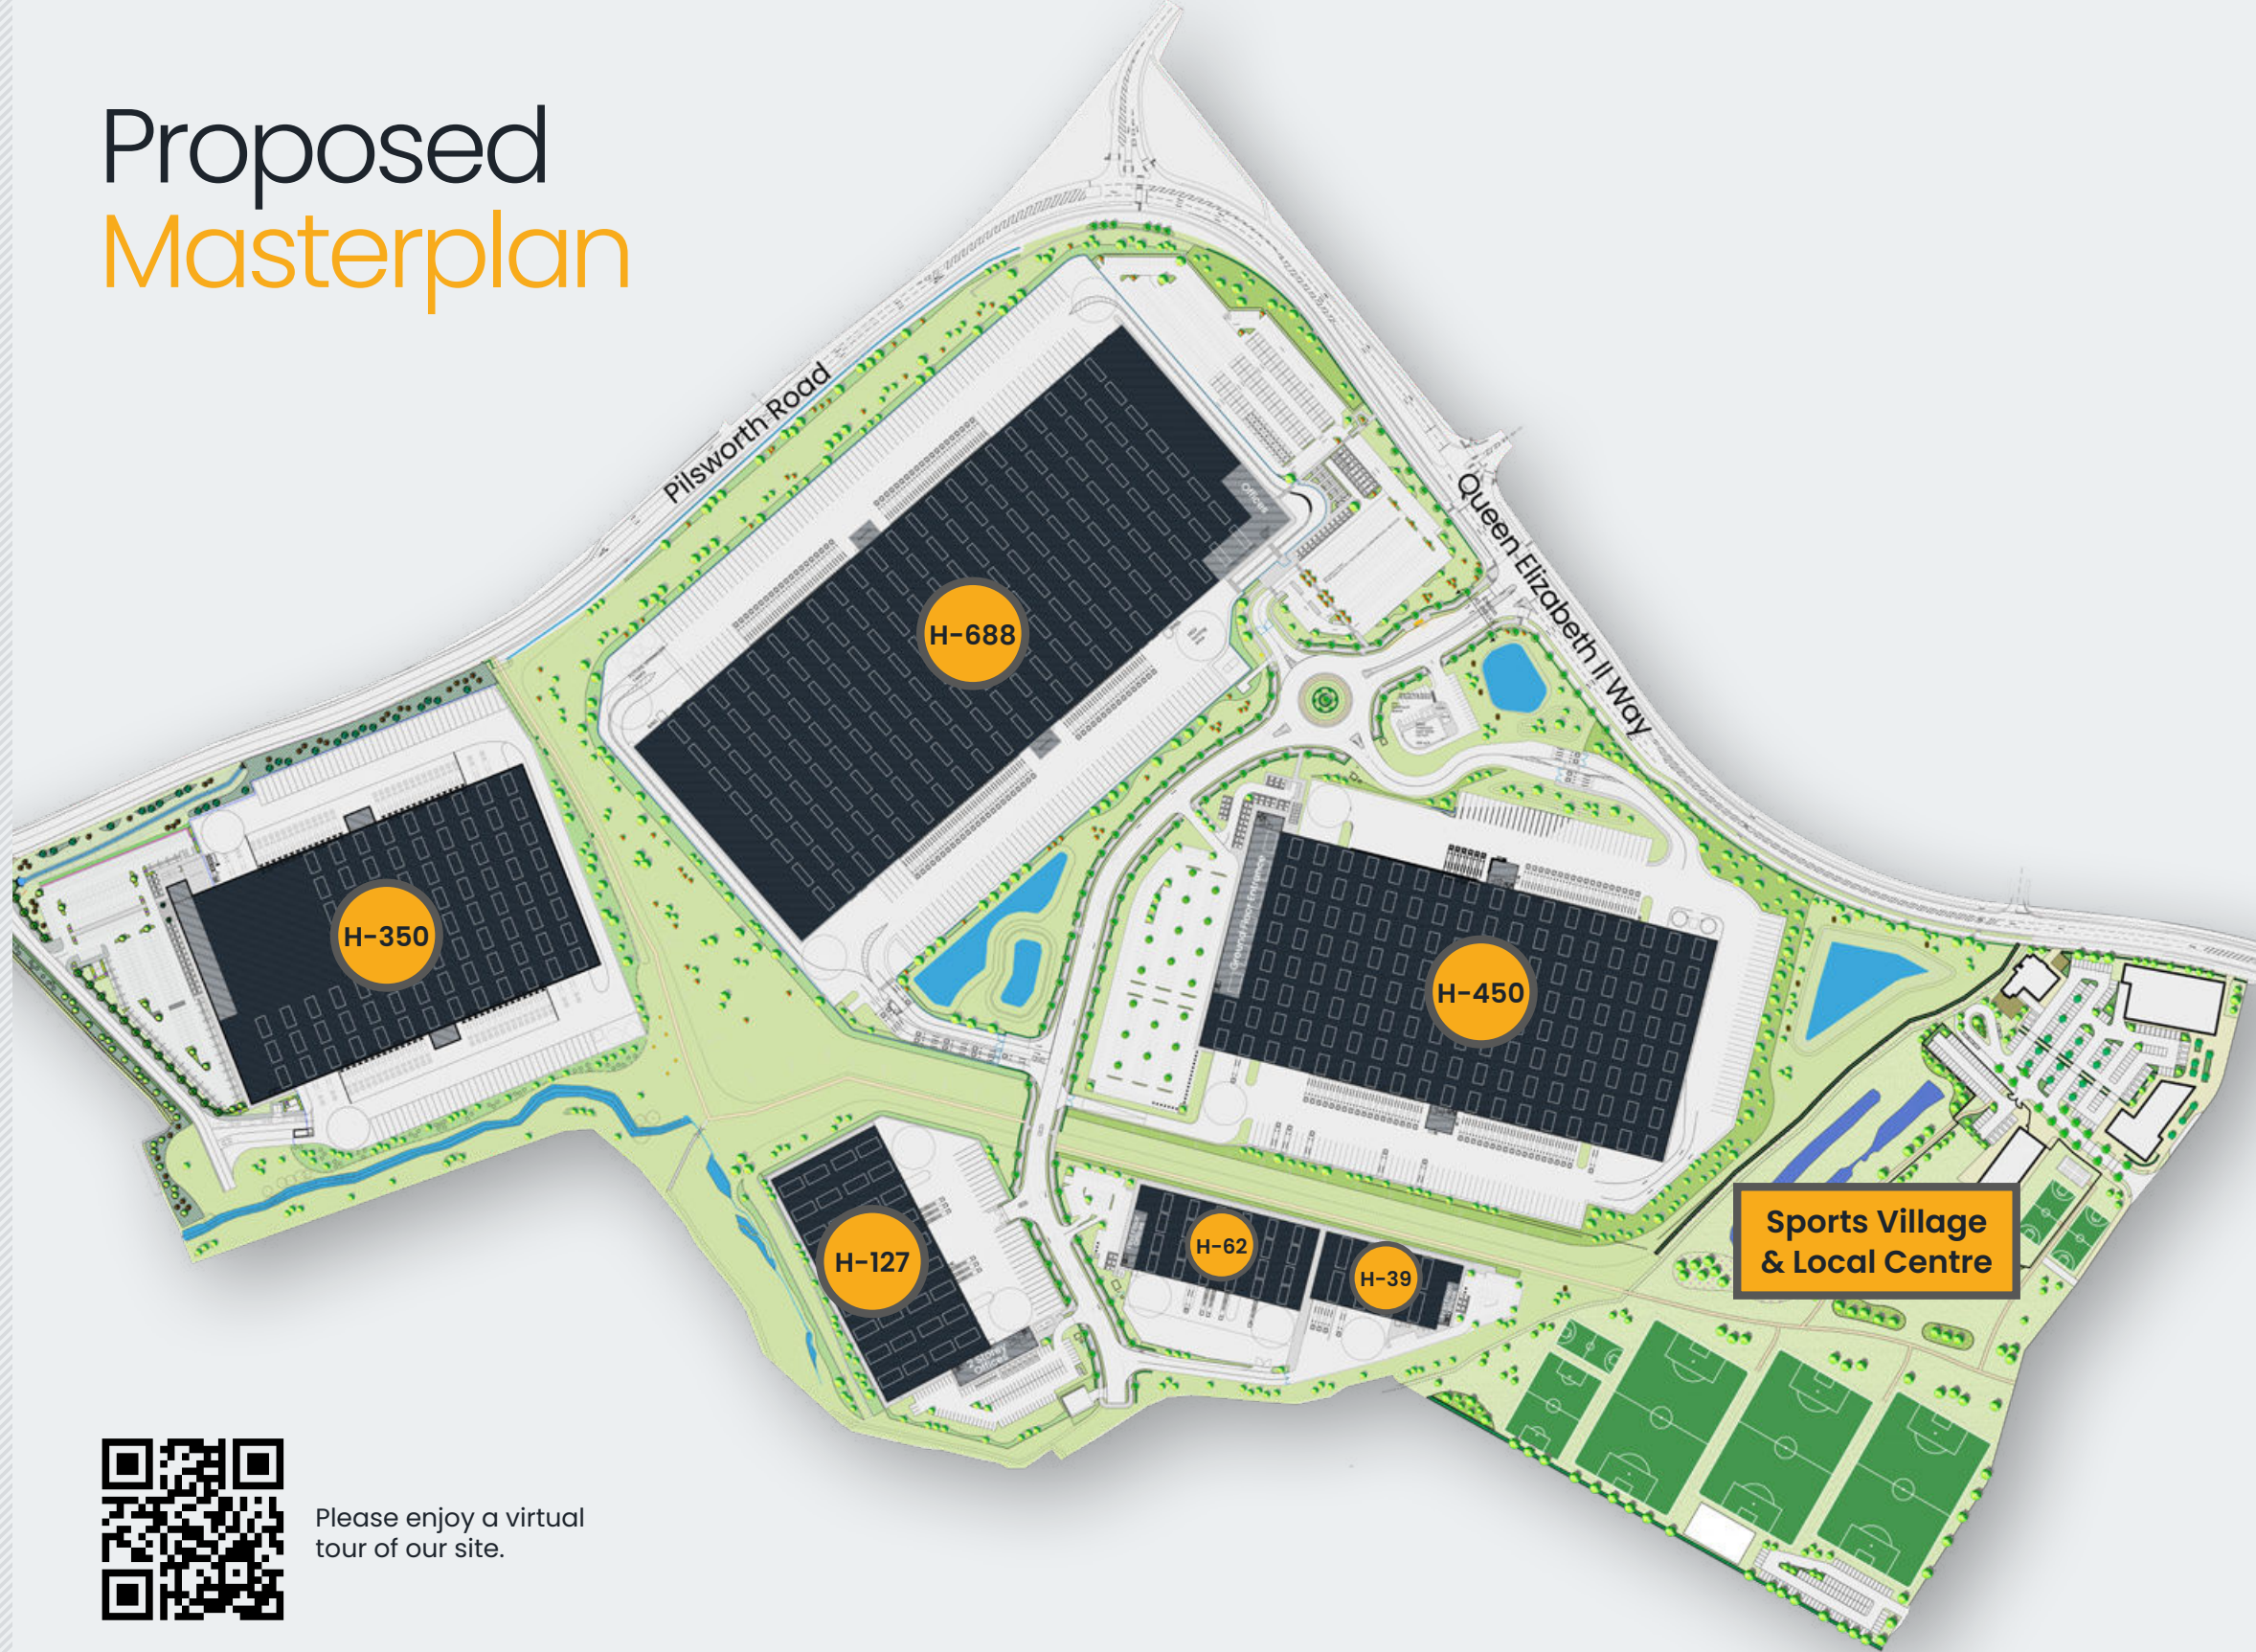

**Supported by Rochdale Borough
Council and the Greater
Manchester Combined Authority**

CONSIDERATE
CONSTRUCTORS
SCHEME

Russells is a Manchester-based property and construction business comprising Russell WBHO, Russell Homes and the group's recently launched land, development and property division, Russell LDP.

Russell LDP is a turnkey developer and land promoter, bringing forward large scale developments across the UK, from concept through to completion.

HPARK will be built by leading main contractor Russell WBHO, one of the North West's largest and most active construction businesses, with a 25-year track record of delivering projects on budget, on time, every time.

Specialists in industrial and cold storage builds, Russell WBHO has built facilities across the UK for Lineage Logistics, Fed Ex, Ford, Harbert, MAN ERF, Joy Global and Baildon Business Park.

The team is also responsible for complex high-profile builds such as the new Manchester landmarks Axis Tower and Oxygen Towers, and the award-winning Hanover restoration for Hermes.
