Wellbeing

HPARK has been designed with wellbeing and employee happiness in mind. The 120-acre site will incorporate cycle, running and walking routes along with picnic and relaxation areas within an attractive landscape setting.

Employee welfare is front of mind in the design of the HPARK environment and each building within it. Units are carefully considered to incorporate state-of-the-art facilities for the benefit of tenants and their staff.

About Russells

Russells is a Manchester-based property and construction business comprising Russell WBHO, Russell Homes and the group's recently launched land, development and property division, Russell LDP.

Russell LDP is a turnkey developer and land promoter, bringing forward large scale developments across the UK, from concept through to completion.

HPARK will be built by leading main contractor Russell WBHO, one of the North West's largest and most active construction businesses, with a 25-year track record of delivering projects on budget, on time, every time.

Specialists in industrial and cold storage builds, Russell WBHO has built facilities across the UK for Lineage Logistics, Fed Ex, Ford, Harbert, MAN ERF, Joy Global and Baildon Business Park.

The team is also responsible for complex high-profile builds such as the new Manchester landmarks Axis Tower and Oxygen Towers, and the award-winning Hanover restoration for Hermes.
